

This 3-day workshop will teach you how to manage people and give you the crucial foundational skills to shift from being an individual contributor to a manager who can achieve team success and drive bottom-line performance.

Using guided role play, exercises and practice sessions, you will discover how to adjust your management style and tackle challenges. In-depth management skills practice using Situational Leadership, GROW coaching and SBI feedback models, combined with interactive activities take you through the paces of motivation, delegation, coaching, communication, performance management and leadership.

You will be able to improve on key weakness areas, play to your strengths and get the best results from every member of your team.
